

We want to make sure we are a good fit for each other, and that we are both flourishing in our partnership. We think having clear expectations from each other are fundamental.

Our expectations:

- Post engaging and informative Entegro Health related content at least once a month
- Use specific tags (@entegrohealth) + hashtags (#flourisheveryday) when sharing about Entegro Health products
- Update public profile with a unique, tailored message to your audience
- Have a desire to learn by actively participating in company sponsored training events for Influencers
- Encourage your audience to grow their knowledge about Flourish, gut health, and probiotic related topics
- Be in constant communication with our team at HQ
- Earn your commission by meeting the minimum monthly \$400 threshold
- Avoid promoting competitors' like products
- Comply with current FTC and FDA guidelines regarding working with brands to recommend or endorse products

If the Influencer has \$0 in sales within a six-month period, the contract will be terminated.

*As an Entegro Health partner, you will be subject to Entegro Health policies and practices regarding content.

because good health begins in your gut
