

We want to make sure we are a good fit for each other, and that we are both flourishing in our partnership. We think having clear expectations from each other are fundamental.

Our expectations:

- Post engaging and informative Entegro Health related content often
- Tag @entegrohealth when sharing about Entegro Health products
- Have a desire to learn by actively researching gut health. Our blog is a wonderful resource!
- Encourage your audience to grow their knowledge about Flourish, gut health, and probiotic related topics
- Complete actions to earn rewards
- Earn your commission by sharing your referral link
- Avoid promoting competitors' like products
- Comply with current FTC and FDA guidelines regarding working with brands to recommend or endorse products

\*As an Entegro Health partner, you will be subject to Entegro Health policies and practices regarding content.

because good health begins in your gut
